Self-declaration guidance notes and form for applicants applying for positions working or volunteering with children and/or adults at risk

Please read the following information notes carefully before completing this self-declaration form. If you require further information, please contact Sunderland AFC HR Department on 0191 5515362. All enquiries will be treated in strict confidence.

Positions Of Trust

The Club actively promotes safe working practices and professional boundaries, as detailed in the Club's safeguarding policies and procedures as well as our codes of ethics and conduct. This reflects the Club's commitment to safeguarding and promoting the welfare of children and adults at risk; the Club expects all staff, volunteers and those who have entered into contracts to provide services relating to children and/or adults at risk, to share this commitment.

Data Protection

The information that you provide in this self-declaration form will be processed in accordance with the Data Protection Act 2018. It will be used for the purpose of determining your application for this position. It will also be used for purposes of enquiries in relation to the prevention and detection of fraud or enquiries in relation to the Safeguarding Vulnerable Groups Act as amended by the Protection Of Freedoms Act 2012.

This self-declaration will be kept securely, and access to this information will be restricted to designated persons within Sunderland AFC who are authorised to view it as a necessary part of their Club role. Once a decision has been made concerning your appointment, Sunderland AFC will not retain this self-declaration form any longer than necessary, and it will be disposed of securely. In signing the declaration on this form, you are explicitly consenting for the data you provide to be processed in the manner described above.

Equal Opportunities

Sunderland AFC aims to promote equality of opportunity and is committed to treating all applicants for positions fairly and on merit, regardless of age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex, and sexual orientation. We undertake not to discriminate unfairly against applicants on the basis of criminal conviction or other information declared.

Recruitment Process Including DBS Disclosure Application And Barred List Checks

Before you can be considered for appointment in the Child or Adult at Risk workforce, we need to be satisfied about your

character and suitability. The position you have applied for has been identified as exempt under the Rehabilitation of Offenders Act 1974 (as amended) and is therefore eligible for a DBS Check. The level of check is determined by the roles and responsibilities of the position being applied for. The disclosure may also tell the Club about other information held by the police about you, such as outstanding prosecutions or serious relevant allegations and may include a check against the Children and/or Adults Banned Lists if the position involves Regulated Activity. It is an offence for a person barred from working with children and/or adults under the Safeguarding Vulnerable Groups Act 2006 as amended by the Protection of Freedoms Act 2012 to seek or accept offers of employment (whether paid or unpaid) with these groups. Any allegation or complaint investigated by the police, local authority, an employer or voluntary body must also be declared; checks will be made with the relevant authorities. Motoring offences that cannot be dealt with by a prison sentence need not be declared. We will only consider information about convictions, cautions, charges and any other information released that is relevant to the position applied for. When assessing the suitability of a person for a position of trust, the Club is entitled to ask the applicant to reveal details of all convictions, including those that are considered 'spent'. This is to ensure that children and adults at risk are adequately protected from those in positions of authority and trust. Prior to making a final decision concerning your application, we shall discuss with you any information declared by you that we believe may have a bearing on your suitability for the position. If we do not raise this information with you, this is because we do not believe that it should be taken into account.

DBS Disclosure Re-Checking Policy

DBS Disclosures must be renewed every 3-years prior to their expiry date, providing the role remains one that requires a DBS check. Should you be registered with the DBS Update Service we will ask your consent to perform status checks every 12 months. Any relevant offences or investigations committed in the intervening time should be reported to Sunderland AFC immediately. If the Club discovers information about a relevant criminal or disciplinary offence or investigation that you have not disclosed, the Club may immediately suspend you pending investigation. All information will be dealt with sensitively and in confidence and will be shared on a need-to-know basis.

Further Information Or Advice

If you need further advice or assistance on what information should be included on this form, or how to complete it, please contact the HR Department on 0191 551 5362.
