Club statement:

The way in which our football Club is currently operating in response to coronavirus (COVID-19) is fundamentally different to business as usual, however, a number of our important safeguarding principles remain the same:

- with regard to safeguarding, the best interests of children will always continue to come first
- if anyone has a safeguarding concern about any child connected to the Club they should continue to act and act immediately
- a Designated Safeguarding Officer or Deputy will always be available
- unsuitable people are not allowed to enter the Club workforce and/or gain access to children
- children continue to be protected when they are online

We are fully committed to the safeguarding and welfare of our staff, players and children, young people, adults at risk and vulnerable groups. All staff, players and volunteers are expected to share this commitment and to support and develop a culture of safeguarding vigilance across the organisation.

- All contact online being observable and interruptible
- Staff and children must wear suitable clothing as should anyone else in the household
- Any computers being used should be in appropriate areas, for example not in bedrooms and the background should not be blurred
- Online teaching will not be carried out on a one to one basis and will be done in a group setting with several players present
- Another adult will be invited to be present in the room
- All communication provided will have an educational purpose
- Language must be professional and appropriate, including any family members in the background
- The Club will record online teaching/instruction sessions. Players and parents will be informed that sessions are being recorded in advance of doing so
- All sessions provided will be via the Clubs IT platform (for example remote desktop) or Wi-Fi (where possible)
